

# Howell To Sports

## Are You Ready for Winter Sports?

If you are considering upgrading your gymnasium scoreboards before the winter season begins, we are here to help. Or, maybe you want to replace your wall pads? Maybe you are looking for Winter Turf Blankets and Growth Covers? We can also do Wall Graphics, Bleacher enclosures and Sports Banners.

If you are considering any of these, give me a call at 856-381-8888 or shoot me an e-mail to [howelltosports2021@gmail.com](mailto:howelltosports2021@gmail.com)

## New Products we Offer

### **Growth Covers / Turf BlanketsFieldSaver®**

No matter what type of athletic field you're looking to protect this winter, our turf blankets and turf covers are the best option to protect your turf and promote

growth in the spring. Scientifically proven to encourage thicker, fuller grass, all while protecting your turf against the elements. Our turf covers have spanned the fields of Citizens Bank Park, PPL Park, Lincoln Financial Field and more. Our winter turf blankets and growth covers keep fields healthy and ready for game day.

You can read this report about Growth Covers.

## Turf Cover Effects on Putting Green Winter Temperature Spring Green-up and Growth

### Gym Wall Padding EnviroSafe®

Keep participants safe, build team spirit, and bring your gymnasium to the next level with EnviroSafe® Custom Gym Wall Padding. Read our guides below to help you make the right decisions on installation options and custom graphics.

Standard Sizes:

24" width x 60", 72", 84" or 96" heights.

2" foam thickness (total wall pad thickness is 2 1/2").

Custom sizes available.

### Wall Graphics

We combine digitally printed vinyl graphics with custom signs for a 3-dimensional, high impact branded experience. Take your facility to the next level, and provide athletes and fans alike a strong atmosphere of team spirit.
